ISSMGE
International Society for
Soil Mechanics &
Geotechnical Engineering

Website: www.issmge.org

The ISSMGE is the
Pre-eminent professional
body representing the
interests and activities of
Engineers, Academics and
Contractors all over the
world that actively
participate in
geotechnical engineering.

SIMSG ISSMGE

New Delhi, India

Professor Jean-Louis Briaud is President of ISSMGE, the International Society for Soil Mechanics and Geotechnical Engineering and Buchanan Chair Professor at Texas A&M University. He recently travelled to New Delhi, India (6Nov to 9Nov 2010) to visit with geotechnical engineers and participate in the 6th International Congress on Environmental Geotechnics where he met with the ISSMGE Board all day Sunday Nov 7th. All Board members were present. The conference was organized by Dr. Manoj Datta with the support of Professor Mario Manassero who is the Chair of the Technical Committee on Environmental Geotechnics. At the conference he also met with the President of the India Geotechnical Society– Dr. Mahavir Bidasaria. On Monday Nov 8th Dr. Briaud participated in the Session dedicated to the 75th Anniversary of ISSMGE by talking about the present. Professor Ishihara from Japan talked about the past, and Professor Said from Tunisia talked about the future.
