Dear Colleague,

On behalf of the Instituto de Estratigrafía y Geología Sedimentaria Global (IESGLO), we have the pleasure to invite you to participate as a **Chair** of the **Poster Session**: *"Impacts of tectonics, eustasy and climate on fluvial systems"* (Friday morning, August 28) in the **9th International Conference on Fluvial Sedimentology**.

We would be delighted if we could count with your valuable collaboration.

Best regards,

Sebastián Moyano
Secretary
