

9th INTERNATIONAL CONFERENCE ON FLUVIAL SEDIMENTOLOGY
San Miguel de Tucumán – Argentina. August 24 – 28, 2009

San Miguel de Tucumán, May 26th, 2009

Dear Mr. Arash Barjasteh:

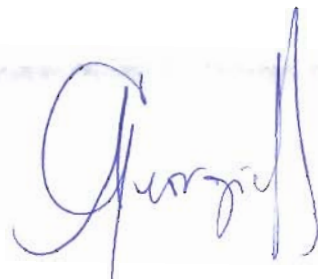

We are pleased to invite you to participate in the 9th International Conference on Fluvial Sedimentology, during the days 24th, 25th, 26th, 27th and 28th August 2009 in our city of San Miguel de Tucumán, Argentina.

We would be delighted if you were able to be an active member of the event, taking part as convener in a Special Session called “Impacts of tectonics, eustasy and climate on fluvial systems” with an oral presentation of your abstract called: **“Tectonic geomorphology of Ramhormoz watershed area in the Zagros Fold Belt of southwestern Iran”**.

Looking forward for a positive answer and hoping to meet you at the Conference.
